

Separation Structure Survey Report Submittal Check List

This checklist does not replace the Structure Survey Report form. It is a tool for the project development engineer to ensure a complete submittal. See front sheet of Structure Survey Report for detailed description of items.

_____ <u>Transmittal Letter</u>	(1 copy) Indicating items enclosed, scheduling dates, and special considerations.
_____ <u>Structure Survey Report</u>	(1 copy) Completed except for items that Central Office Design will enter.
_____ <u>Small County Map</u>	(1 copy) Indicating location of structure.
_____ <u>Plan & Profile Sheet</u>	(Hard Copy and DGN file on Disk) Showing proposed profile grade line of <u>BOTH</u> roadways, proposed horizontal curve data of <u>BOTH</u> roadways, and structure location. Include Vertical and Horizontal curve data (computer runs).
_____ <u>Layout sketch</u>	(1 copy) Show existing and proposed highways and structures, Station numbers, Reference line intersections and angles.
_____ <u>Typical Roadway Section</u>	(1 copy) Showing dimensions, slopes, and <u>CLEAR ZONE</u> requirements. One copy of the above and below roadways.
_____ <u>Original Photographs</u>	(1 copy) Existing structure, Utilities, and Building.
_____ <u>Project location Map</u>	(1copy) Showing location of structure and structure number. Showing other proposed structures within project limits.
